

National H.O.G. Rally 2019 Information

Mars 2019

Hello again!

We have now entered the spring month and we are all waiting for the day for the first ride. In the meantime, we will give you some information about NR 2019 at Gol and perhaps to get more feeling that spring and summer are approaching.

The music package is ready, and two scenes are set for this.

These are:

Thursday: Dos Mosquitos

Friday: Boots Band and Circus dos Mosquitos

Saturday: Voulez Vous and Dolls 'n Girls

Friday and Saturday: daytime troubadours

We have not reserved any Chapter tables during dinner. This is because we are a large family who meet once a year, and for many this is the opportunity to nurture the contact with other biker and Chapter friends, also during dinner.

The hotel has an à la carte restaurant and dinner buffet. There will also be barbecue during the daytime. Buffet has ordinary price NOK 390.-, *but if you order at check-in during arrival the price is NOK 300.-.*

There is still some available bed capacity as follows:

Torpo Gjestegård (10 km from Pers Hotell). Booking: [Oslo Chapter homepage](#).

4 x Double bedroom

6 x Apartments

3 x Cabins

Hytteparken (200 m fra Pers Hotell). Booking: hog@pers.no

2 x 4-beds Apartments

1 x 9-beds Apartment

Information and registration for Post Ride is out on the [Oslo Chapter homepage](#) and as of today there are still some vacancies.

Information about other activities, such as Ride Out, comes in the next information letter.
